Dear <Customer>,

Re : Notification for the Change of Ownership and Merger

As you are aware from recent news, Ronacrete (Far East) Ltd. was acquired by Sika Hongkong Ltd. on 23rd December 2016. With this acquisition, we will be able to provide greater opportunities and benefits to our valued customer because it will significantly enhance our capabilities to provide a wider array of products with deeper expertise.

With our excellent technical expertise, Ronacrete has built up a strong brand over the last few decades and has established ourselves as a preferred partner for private and public housing projects. The services we have provided you in the past will continue to be offered by our new affiliation, please continue to address inquiries and business transactions to the usual sales representatives.

We will be moving our office to **Sika Hongkong Ltd.'s office at Rm 1507, 15/F., Block A, New Trade Plaza, 6 On Ping Street, Shatin, N.T. Hong Kong** on 16th June 2017 while warehouse in Kwu Tung and factory in Nansha will remain unchanged. Our existing phone, fax and web-site will continue to be operational for the time being. We will combine and operate under the name of Sika Hongkong Ltd. effective on 1st July 2017. Afterwards, all quotations, correspondences, purchase orders and invoices will be addressed and issued by Sika Hongkong Ltd.

Ronacrete's brands, products, staff, operations, production facilities and principles are unchanged. We are grateful to you not only for giving us the opportunity to provide you with high quality product but for your loyalty and friendship over the time we have served you. We are confident that together with Sika we will exceed your service expectation and continue to enrich our relationship.

If you have any questions and what it will mean for you, please feel free to contact us at any time convenience to you.

Looking forward to serving you more efficiently with the new team.

Yours sincerely,

A handwritten signature in blue ink, appearing to be "Peter Gregory", written over a horizontal line.
